SUMMARY

Passionate and solutions-driven full stack web developer with a web development certificate from UNC Charlotte. Currently experienced in 3D Animation utilizing a combination of strong communication, collaboration, problem-solving, and analytical skills. Strong ability to design, build, and maintain websites from conception to production. Ability to work in a fast-paced and diverse team environment developing solutions and exceeding expectations.

TECHNICAL SKILLS

Softwares/Platforms: iOS, Windows, Autodesk Maya
Software Languages: HTML, CSS, JavaScript, MySQL, NoSQL
Skills: React, MVC, MongoDB, PWAs, React.js, API, JSON, MERN Stack

PROJECTS

Bullies 2 the Rescue | GitHub: **github.com/SupernalDeity/bullies-to-the-rescue**

- This project was built for the non profit organization called Bullies 2 the Rescue. The company was in need of a way to take in applications that were a bit more comprehensive and organized. Bullies 2 the rescue also needed multiple people to have the ability to review the incoming applications.
- Tools Used: React, MongoDB, Apollo, JWT, JavaScript and Tailwind CSS.

RELEVANT EXPERIENCE

Animator   2016-Current
Pure Imagination Studios   **Charlotte NC**
I currently own my own animation studio where I create animations for entertainment purposes on YouTube and Tik Tok as well as do freelance animation work for others in the crypto currency and entertainment world.

Key Accomplishments:
- I have accumulated a total of approximately 2.3 million followers and subscribers.
- I have gained up to 13 million views on an animation.
- Learned how to use 4 different animation softwares including the industry standard Autodesk Maya.

ADDITIONAL EXPERIENCE

Certified Pharmacy Technician (CphT)   2013 – 2016
Olathe Medical Center (2013-2016) | Menorah Medical Center (2010-2013)   **Kansas City KS**
I worked as a certified pharmacy technician in the Emergency Room department gathering medication history on patients and inputting that information into their records. I also worked in preparing and distributing medications throughout the hospital as well as maintaining the medication stock and inventory on the floors.

Key Accomplishments:
- Trained Pharmacy Technician students and provided the materials needed to pass their PTCB exams

EDUCATION

Full Stack Flex Certificate: UNC Charlotte Charlotte NC   Graduated: November 2022
An 12 week intensive program focused on gaining skills in Full Stack Software Development.
